

K-POP Showcase rules

The K-POP Showcase for East European Comic Con this year will take place on Sunday 27th April, on the Main stage.

The registrations will be open between 31st March and 6th April.

The participants in the showcase must have a bought ticket for the event on the day of the showcase.

 Due to the time limit on stage, there will be a selection based on the video you send, in case of a large number of registrations. Complete the form carefully, because the quality of the form will also matter in the selection process.

All members of the group must be at least 14 years old. Underaged (14-18) will need to provide a written statement/declaration signed by one of your parents or legal tutors, who will authorize your participation. **The statement can be found in the form, when available.**

The minimum number of members in a group must be 3.

Required media for the form (can be prepared beforehand):

- a video file with the performance you will present on stage (prepare a downloadable online drive link, **NOT** Wettransfer).
- the audio file that will play on stage. If there are multiple songs you will create only one audio file. **The duration of the audio file must be of minimum 5 minutes and maximum 10 minutes.**
- a list of the song titles used in the audio as in the sequence:

Artist - Song title.

Artist - Song title.

...

Artist - Song title.

The organizing team and the staff have the right to change and modify the Rules and Regulations without any prior notice.

East European Comic Con reserves the right to publish media content (photos and videos) and use them to promote the event and the K-Pop Showcase. By registering the showcase and accepting the terms, the participants agree to the conditions mentioned above.
